

Marching Band Uniform Measurements

We ask that all marching band members (excluding Color Guard) provide us with accurate measurements. Please enter your student's measurements and return this form to the white box in the TOHS Band Room. This will help us speed up the uniform fitting process as well as provide the best possible fit for all of our marchers.

Please submit measurements no later than **May 31, 2016** (Placement Auditions Day)

If you have questions, email uniforms@tohsband.org

Thank you for your help.

Instructions:

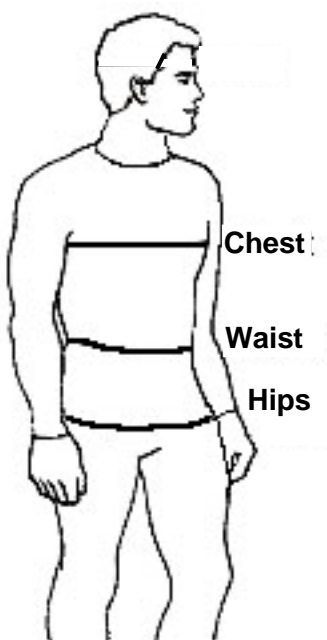

Wear light-weight clothing when measuring. Keep the measuring tape straight and against the body, but not tight.

Chest: Measure around the fullest part of the chest under the arms.

Waist: Measure around the natural waistline - not necessarily where the pants are worn.

Hips: Standing with feet close together and weight evenly distributed measure around the fullest part of the hip. (take phone out of pocket!)

Height: Stand up tall and measure from top of head to the floor with no shoes being worn.

Student Name: _____

Home Phone: _____

Height: _____ feet _____ inches

Chest: _____ inches

Waist: _____ inches

Hips: _____ inches
